### MILLENNIALS, SCRATCH "FOOD PREPARATION" OFF OF THAT LONG TO-DO LIST!

Columbus, Ohio, March 12, 2020 – Columbus based catering business CJ'S Cook House will launch their highly anticipated website, [cjscookhouse.com](http://cjscookhouse.com), on Saturday, April 25, 2020 at 12:00 AM. This launch will coincide with the official introduction of CJ Prep, the company's pre-made meal service.

Chenese Simmons, the CEO and Head Chef of CJ's Cook House, says that the main goals of these releases are (1) to formally introduce the internet community to the diverse culinary styles offered by CJs, and (2) to provide the Central Ohio Millennial community with a healthy and time-saving alternative for nourishment that won't interfere with their overcrowded lifestyles. A fresh and affordable eating alternative is exactly what members of Generation Y need in their busy lives.

The website will go live at Midnight on Saturday, April 25, 2020. It will display CJ's Cook House's full interactive menu, client testimonials, behind-the-scenes videos and special new customer discounts.
